Sir,

LAND ACQUISITION - South Kanara District - Karkal Taluk - Mudradi and Varanga villages - S.No.69/2 etc For construction of a bridge at Mile 49/3 of Mangalore Agumbe Road - Draft declaration - submitted.

--:o:--

The Divisional Engineer (H) Mangalore, has sent a requisition for the acquisition of plots S.Nos.69/2B,7B, 6B and 8L of Mudradi village and S.Nos.5/2, and 84/2 of Varanga village, Karkal Taluk of this district for reconstructing a bridge at mile 49/3 of Mangalore Agumbe road and forming approach roads. The draft notification under section 4(1) of the Land Acquisition Act submitted in this case was approved in G.O.Rt.No.145 P.W.D.dated 1.2.54.

(K)/207-8

2. All the plots proposed to be acquired in Mudradi village, belong to one Sri Nagappa Herde. He is the only interested person in respect of them. He objected to the proposal stating that the road margin proposed to be acquired in S.No.69/6B is too extensive and is unnecessary. The Revenue Divisional Officer, Coondapur who is the Land Acquisition Officer, in this case suggested some changes in the proposals after inspecting the plots, which were accepted by the Divisional Engineer (H) Mangalore. The area now shown in the enclosed draft declaration is therefore less than that shown in the draft notification. The registered holder of the plots proposed for acquisition in Varanga village is away in Mysore State. He has not raised any objection in response to the notice issued to him.

3. The lands to be acquired in this case are either dry or wet III lands. Plot S.No.5/2 of Varanga village, though

stands registered as Wet III in the revenue accounts, it is actually dry land on the ground, with no traces of any wet cultivation. It has therefore been treated as dry land for purposes of valuation. Lands have been valued on the basis of letting value of similar lands in the vicinity. Dry lands have been valued at Rs.400/- per acre and wet III lands at Rs.600/- The valuation made, is reasonable and fair. A reconciliation statement showing the area notified in the draft notification under section 4(1) of the Land Acquisition Act and that shown in the Draft declaration now submitted, is enclosed. The total extent of lands to be acquired is 2.07 acres and the cost of acquisition Rs.1630-15-9.

4. I submit herewith draft declaration under section 6 of the Land Acquisition Act which may be approved and ordered to be published in the Fort St.George Gazette.

The records of 5A enquiry and a topo sketch of the plots in question are enclosed.

Yours faithfully
